

Humboldt All-Stars

Dear Friends and Community Business Leaders,

Humboldt All-Stars are an established, competitive cheerleading organization for girls and boys, ages four to eighteen, committed to the enrichment and empowerment of our local children by promoting excellence through physical fitness, teamwork, high expectations, personal accountability, and individual growth.

Currently we have earned 16 National Championships, 2 International Championships and 2 California State Championships. We work hard and expect our members to work hard for their goals.

Unfortunately, the costs of the competitions and complete uniforms make participation difficult for many families. We are asking you, the friends and business leaders of our community, for a donation to help defray the costs of this program for our children.

For our part, we pledge our time and efforts to account for every dollar raised, and to contribute one hundred percent of these funds to offset a cheerleader's expenses. All funds raised are distributed by our officers and are only for allowable expenses: no frills. We're certain that everyone can agree that our community is strengthened by our involvement and contributions to the youth from Brookings to Leggett to Weaverville that are a part of our program.

Please help us make doing something positive a reality for many of our area youth. You can make a real and lasting difference in the life of a child by offering this opportunity. Please fill out the accompanying form and contribute any amount you feel comfortable with.
